## Purpose

To create new business in the world, we need a lot of practical knowledge as well as professional knowledge of Science and Technology. In this event, as participants gain experience in creating a new business model based on international patents by working in groups, they are able to gain basic knowledge for creating new businesses and build friendships with people from other countries through international communication.

## Contents

### ✧ Lectures

Lecturers related to starting up businesses.

### ✧ Training

6 teams consist of international members will draw up new business plans based on exhibited technical seeds (patents).

The plans will be examined and prizes awarded.

## Agenda

- **Date: 17<sup>th</sup> December ~ 19<sup>th</sup> December (2013)**
- **Place: Hotel KSP Japan**  
(<http://www.hotel-ksp.com/access.html>)
- **Quota: Three postgraduate students**
  - ✓ **The participants will be distributed into separate international teams, and a total of 6 teams will compete in the contest.**
